Port Lincoln - Seafood Capital of Australia

*A progressive, vibrant and safe coastal city that is an attractive place in which to live, work and grow*

## MASTER PLANNING FOR THE FORESHORE, CBD AND MARINA

The Co-Design Master Planning workshops held on December 6 and 7 were extremely well attended and Council would like to thank all those who dropped in. Staff enjoyed meeting so many passionate locals that were willing to share their ideas on the future functionality of our Foreshore, CBD and Marina precincts. Our favourite theme was the sentiment for creating places for the community to reinvigorate their connections and town pride. Jensen PLUS consultants were well immersed in the spirit of the Port Lincoln community over the two days and are now working on developing draft precinct master plans. Further community engagement will take place in the new year so stay tuned!
