NORFOLK ISLAND PINE TREES ALONG PARNKALLA TRAIL

Council encourages the public to take care when around the Norfolk Island Pine trees along the foreshore as they have been dropping large branches with seed heads due to the dry conditions.

If you see a tree that has dropped some branches please report it to Council by phoning the Council office on 8621 2300.

Each pine tree has an identification number on the southern side, at the base of the tree that can assist you in reporting the tree.
