Or perhaps you're a sole trader thinking about launching your first business.

The Australian Government's Small Business Fair is about to hit South Australia and it's a great opportunity to find out about the incentives and programs that take your business to the next level.

Hosted by the Department of Jobs and Small Business, the Fair will feature live demonstrations, key note speakers, presentations and practical advice from a business coach.

The Small Business Fair is a one-stop-shop where you can speak directly to locally-based Government agencies about simplifying taxes, using digital marketing and e-commerce tools, selling to Government and more.
